

Altium[®]

**Welcome to
AltiumLive 2018**

High Performance Made Simple

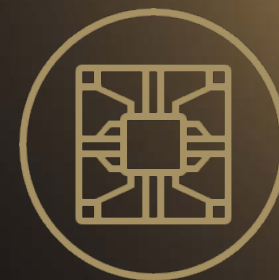

Easy

New era of performance, reliability, and usability

Powerful

64 bit technology, multi-threading

Modern

New, more modern user interface

Working Together is Hard. NEXUS Makes It Easy.

Of new products
are late getting to
market

Of these are late due
insufficient
collaboration

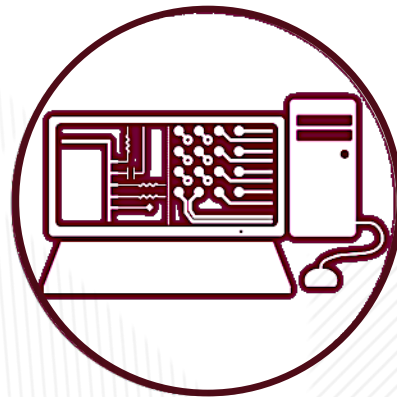

Revenue potential
lost when late to
market
